

209020" 24999001

11

10 SAW device (surface acoustic wave device)

09

17 second connecting terminal

20 second substrate

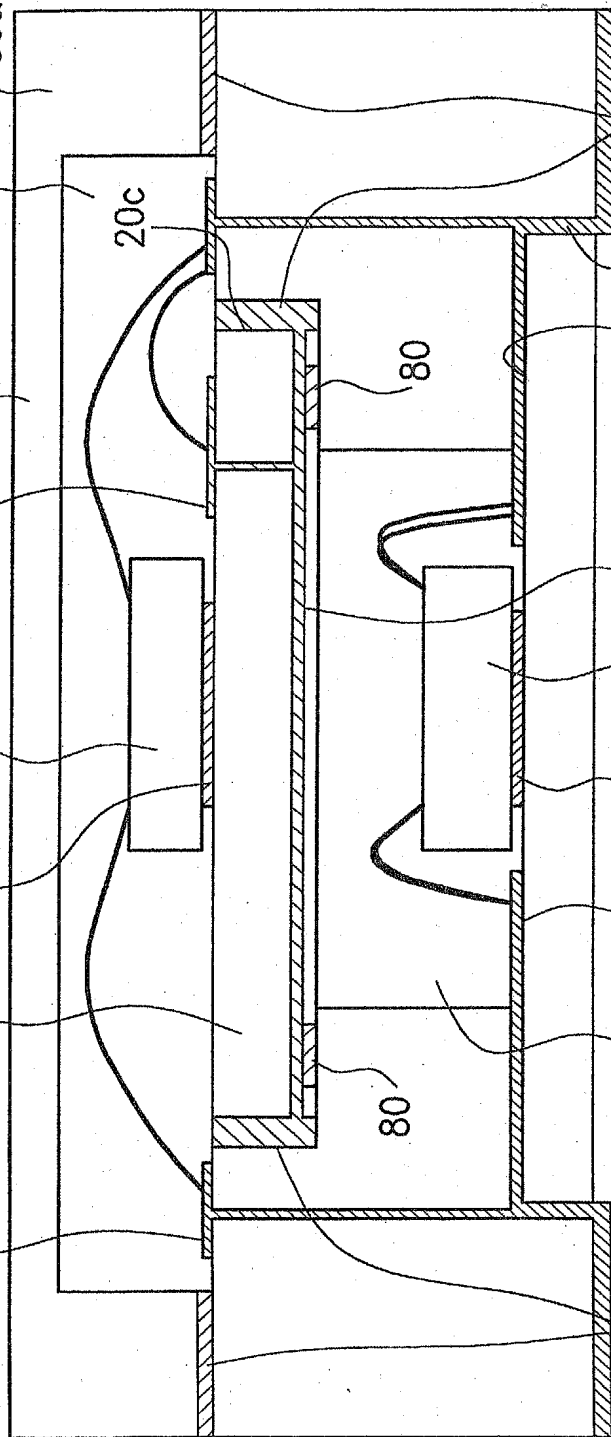

80 SAW element 50 (surface acoustic wave element)

21 second grounding terminal

30 cap

31 second hollow component

30a

70

12 first hollow component

80

22 grounding terminal

12a

70 sealant

13 first electronic component 40 first connecting terminal
